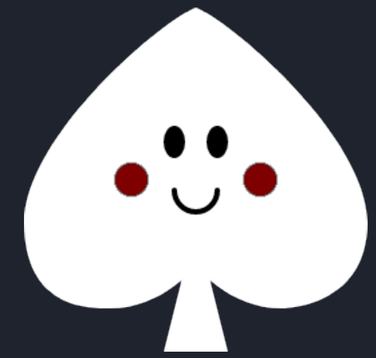
MDX Deck ♠

Award-winning MDX-based presentation decks

travis passing npm v2.3.2 downloads 7.14K/month

```
npm i -D mdx-deck
```

MDX Deck



– supports Markdown,

– React modules

– code highlighting

github.com/jxnblk/mdx-deck

Use whatever works for you.

2. Structure

Once upon a time...

Heroes Journey.

Get to the point.

3. Style

Use Text.

BIGGER Text.

Images only when necessary

Lessig / Takahasi methods

Lessig

– 4 slides / 15s each followed by 1 slide 60s

Takahashi

– Single phrases, as large as possible

But what about GIFs?

CN

Excellent.

4. Presentation

Don’t try to be someone else

They are here because they wanted to be

So are you.

Don’t picture your audience naked.

I mean...

No offense

Don’t force a joke

Do dry runs

Do over

Have fun!

Thanks!
